*Report on Documents and Publications.*

We have three great mediums through which to receive instruction, reproof, and development. These are the pulpit, the home, and the press. The pulpit can do it's teaching without the press, but we believe that it cannot do it as effectively without the press, as it can with it. How can a pastor of Mississippi know how the work of the state is progressing unless he reads The State Organ, The Record, how can he know what the denomination is doing unless he reads a denominational paper, The Baptist World?

Around the family firesides we should receive worthiest instructions. But can our children receive such, or can we give such, when we do not read our Bibles, the book

wherein is found "The Golden Rule of Life," upon which our profoundest laws are based, promises fulfilled and unfulfilled, the way of life, truth undefiled, and life everlasting.

This greatly neglected book, we recommend to be first in our homes. We would not recommend the Bible alone, for there are a number of good papers and periodicals, among which, we would mention Orphanage Gem, Home Field, Kind words, and Foreign Mission Journal. The American press has always been on a high moral basis, the best religious thought, moral, social, and political of the world today has been and is being cast by the American press association. We urge our pastors, deacons, Sunday School Superintendents to see what the children have to read. If your child likes to read see that he does not read anything vicious or harmful. Let him have the very best, so that his best instincts may be cultivated, instead of the baser.

Respectfully Submitted,

ELMER BLACK.

The foregoing report was read by Bro. Elmer Black.

Discussed by Brethren E. L. Wesson, T. J. Bailey, and J. S. Berry, and on motion was adopted.

Devotional committee reported that Bro. A. C. Acre preach in the grove at eleven o'clock today.

The following report was read by V. B. Tucker.

### ***Report on Missions.***

We have heard it all of our lives that the Bible, "God's Holy Book," is a Missionary book from beginning to end, and we as Baptists claim to take this Book as our guide and counsel. In this Book we are commanded to "Go ye into all the world and preach the Gospel to every creature."

And again He says we are to be witnesses for Him unto the uttermost part of the earth. This same Book tells us that "Whosoever is ashamed to confess me before men of

him will I be ashamed before my Father which is in Heaven."

Last year we as Southern Baptists gave to Foreign Missions \$501,058.84, Mississippi gave of this amount, \$36,464.68.

Last year Southern Baptist gave to Home Missions \$329,475.79, Mississippi gave of this amount \$28,108.75.

Last year we gave for all purposes \$146,471.14. Mississippi gave last year to Foreign, Home, and State Missions \$103,595.42.

Our Association gave last year to Foreign, Home, and State Missions \$1,574.86.

The figures compare favorably with other states and sound good to the reader, but when we stop to consider, we are made to wonder why they are so small to what they should be. The most of what is given in our association is given by a few churches, the most of what is given in these churches is given by a few of her members of all the churches would do their best what might we do. God speed the day when every member of every church shall feel that he or she must have a part in all the treasury of the Lord. We sometimes fear that too much stress is put upon Missions from a financial point of view to the neglect of the main work of missions which we think is to "Present our bodies a living sacrifice wholly and acceptable unto God and go and work in his vineyard and bring forth fruit," which means to bring lost souls to the Redeemer for life and salvation.

Cherry Creek church, our old Mother church in this Association, has the record of being one of the most liberal in mission work, in our Association, and who has sent out a goodly number of preachers of the Gospel of our Lord and Saviour Jesus Christ, to bless the world, who have filled places of honor and trust, the extent of which influence will never be known until revealed in eternity.

She now has a new star in her crown of honor, in that

the Lord has called one of her most noble women to go as a missionary to far away China to be a help to the women and girls of that benighted land. We feel that this is one of the best gifts that she has ever made to the Lord's cause.

We refer to Miss Pearle Caldwell who has just left her church, her friends, her home, her loved ones, father, mother, brothers, and sisters to go to China to tell them about Jesus and his love. May the Lord bless her and keep her strong, and may she do a great work for his cause, and the women of China, and may the Lord's blessings continually be with old Cherry Creek church and may she yet do a great work for the Master at home and abroad, and may He wonderfully bless the brothers and sisters of Miss Pearl in their callings in life and especially would we implore his blessings upon the father and mother who so willingly gave their daughter to go as a missionary to this far away country.

Respectfully submitted,

V. B. TUCKER,

B. O. GARNER.

Discussed by V. B. Tucker, A. V. Rowe, E. L. Wesson, and on motion was adopted.

At the request of Bro. J. S. Berry a special prayer was offered for the Foreign Missionaries of North Mississippi and especially Miss Pearl Caldwell who has just gone from this old mother Association to far away China, others mentioned E. Z. Simmons, J. G. Chastain, J. F. Ray, R. W. Hooker, Miss Ida Taylor, Mrs. Janie Sanford Groves, Miss Mary Anderson. Prayer led by Bro. J. J. Pannell.

The following named brethren were appointed as a committee on Finance, J. M. Shadrast, T. H. Spencer and C. B. Pannell.

On motion the association was adjourned till 1:30. Dismissed by Bro. E. L. Wesson. The Moderator gave the hand of welcome to Brethren J. T. Cox and W. J. Ball of the Tippah Association.

## SECOND DAY—AFTERNOON SESSION.

Song services led by Prof. Lee Lequex.

Called to order by Moderator. Prayer by Bro. E. M. Floyd.

The following report was read by Bro. J. B. Gaulding.

***Report of the Executive Committee.***

The Executive Committee met at New Albany in June, all members present, with J. B. Gaulding in the chair, opened with prayer by Rev. E. L. Wesson after which proceeded to business. It being ascertained that our moderator had moved beyond the bounds of this association and was no longer identified with us. On motion Rev. E. L. Wesson was elected moderator to fill out the unexpired term of Rev. C. W. Smith, our former moderator.

On motion Bro. L. R. Kenneday was requested to visit each church in the association, in the interest of the Layman's movement. No other business appearing, adjourned. Dismissed by Bro. L. R. Kenneday.

J. B. GAULDING, Chairman,

T. H. SPENCER,

J. E. COLTHARP,

V. B. TUCKER, Committee.

Discussed by Brethren J. B. Gaulding, V. B. Tucker, T. H. Winter, J. A. Vaughn, on motion the report was adopted.

The following report on General and Ministerial Education was read by Bro. Elliott Black.

***Report on Mississippi College.***

Mississippi College is slowly but surely coming to the front among the great educational institutions of learning. She has one of the finest dormitories of the south, and will soon complete the best science building to be had.

Mississippi College has had her great battles to fight to maintain her existence, but today she is supported by more loyal citizens of Mississippi than ever before. Mr. Carnegie

has contributed a great deal toward her endowment and will contribute a great deal more when the people of Mississippi contribute liberally to her support. We would not have you to understand that Mississippi College is by any means a paradise, for it is not, but we do say that the religious influence and moral environment is greater there than at any other of the state institutions, we do not say this from our own experience, but this is what the students tell us, who are now attending those schools.

Mississippi College strives to enroll every student in the Sunday School and if he is careless about attending, he is looked after by the teacher or a committee from the class, every professor has a Sunday School class and are thoroughly consecrated men. If you desire to send your boy to college, we know of no better school to recommend than Mississippi College. It is recognized as such by Roman Catholics, Episcopalians, Jews, Hardshells, and Methodists, at least we have representatives every year from these denominations. It has the advantage over the College located in the city, where boys can easily resort to the theater and low dives to while away their time and spend their money.

Now as to Ministerial Education, we believe in an educated ministry, just as we believe in any other educated profession. Some say that a man does not have to be educated to save souls, or to preach, so do we, but every one knows that a consecrated educated man in any community has greater power for good than the uneducated consecrated man.

We have an educational board that looks after the interests of the young ministers, who havent sufficient means to go to school.

This fund is very wisely distributed, so that all may receive what each one absolutely needs.

Brethren you cannot contribute your money to a better cause than toward the education of young ministers. We have men there with families to support, and no church work by which to help them, while their wives eke out a

## MINUTES OF THE

mere existence sewing to keep bread in the home. We would recommend to the churches that have young preachers in any school, to help them all you can, and if you can do more send it to Dr. Lowrey.

Again we advise you not to recommend a young man to the board that you wont help yourself, because the board has more than she can well do, and while you send your money to their support, don't forget to pray for them and give them your support and encouragement.

Respectfully Submitted,

E. B. Black,  
W. D. Caldwell.

Discussed by Brethren Elliott Black, E. L. Wesson, W. L. Souter. On motion the report was adopted.

Bro. W. L. Souter called for a voluntary contribution to aid Bro. Elliott Black in his efforts to obtain an education that he may be better prepared to preach the Gospel.

Amount collected: \$21.85, cash received: \$15.85, promises this Fall: \$6.00.

The devotional committee reported that Bro. J. J. Pannell will preach at Macedonia at the request of that church.

Bro. W. I. Hargis will preach here in this house to-night at 7:30.

The following report was read by Bro. J. T. Beam.

To the Chickasaw Baptist Association,

Cornersville, Miss.,

We, your Committee beg to submit the following:

The Miss. Baptist Orphanage at Jackson, Miss., is an institution belonging to the Baptists of Miss., and is supported wholly by voluntary contribution. The object of its establishment and maintainance is to furnish a home nurture and training for the homeless and helpless children. It has been in successful operation for thirteen years. During this time it has passed trials and struggles incident to institutions of this kind, but through them all it has been

upheld by a liberal, loyal and loving people, who have been cheerful and generous in its support. Four hundred and eleven children have been the happy recipients of its benefits. We have now in the home one hundred and ninety children, with several more to come as soon as room can be provided for them. The new building that will soon be completed will add to the capacity of our home, one hundred or more children and will be ready for occupancy by Nov. 1st. When it is finished we can comfortably care for three hundred children. This has been an extra hard year on our orphanage, both from the high price of living and the extra expenses occasioned by the short crops of last year. We will need to make a special effort this year in collecting funds to meet this additional expense. On account of the shortage of our contributions, the management was obliged to borrow seven thousand dollars for the building. It has been one of the greatest blessings and the pride of our denomination, that our institution for the past seven years has kept out of debt. We want to keep our noble record and recommend that a special and liberal contribution be taken during this meeting of the Association and that each church in our association arrange for a liberal Thanksgiving offering, also that each Sunday School will join the list making monthly contributions to meet the running expenses. We want to re-affirm our loyalty to our home for the homeless and helpless and pledge ourselves to more liberal support.

Our property with the addition of the new building, at a conservative estimate is worth \$120,000.00 and is increasing in value every year. Let our people be loyal to the support of our Orphans' Home with their money and their earnest prayers, and thus increase its usefulness.

May God's richest blessings abide with you all.

Signed,

J. T. Beam,

R. M. Carlile.

## MINUTES OF THE

Discussed by Brethren J. S. Berry, J. T. Beam, and W. L. Souter. Bro. J. S. Berry told of the plan for a free car to deliver all gifts to the Orphanages, both the Baptist and Methodist at Jackson, Miss., and plead with all to have a part in this noble work. On motion the report was adopted. Collection to be taken later.

The following report was read by Bro. W. L. Souter.

**Report on Sustentation.**

We your committee on Sustentation make the following report:— We do not know how many needy ones there are in the bounds of this Association, but there is old Bro. Gorley who has been preaching the Gospel of the Son of God for something like three-score years; and there is sister Adoline Pitts, wife of our much loved brother, J. T. Pitts, who many of us remember, and who labored long and faithful for the Master and His cause, but who has now gone to his reward. Both Bro. Gorley and Sister Pitts are being helped monthly by Bro. A. V. Rowe, our State Secretary, and we are glad of this. Brethren, we should see to it that there

is plenty of money in the treasury so that Bro. Rowe can supply the needs of the old Soldiers of the Cross and in so doing make their last days their best days, and not only these two, but all this kind all over our State.

Respectfully Submitted,

W. L. Souter.

Discussed by Brethren W. L. Souter and J. B. Gaulding, and on motion was adopted.

Bro. C. B. Pannell was appointed to get up a report on Obituaries in the absence of the committee previously appointed.

### **Report on Obituaries.**

We your committee on Obituaries make the following report:— We find reported in the letters this year, 45 deaths,

from Shiloh 3, Ingomar 1, Ecu 2, Liberty 1, Piney Grove 1, Fredonia 2, Salem 2, Mt. Pisgah 2, Valley 1, Mt Pleasant 1, Bay Springs 1, New Hope 3, Spring Creek 1, Spring Hill 2, Oak Grove 1, Amaziah 2, Pleasant Dale 4, Cherry Creek 6, Duncan Creek 2, New Albany 4, Temperance Hill 2, Old Oak Grove 1, Total 45. We are hereby warned that God our Heavenly Father is taking His children home one by one. Therefore it behooves us to be about His business while we have time and opportunity, as we realize that soon all of us shall receive the summons to come home, and what we shall do must be done while we live here on this earth.

Respectfully Submitted,

C. B. Pannell.

On motion was adopted.

The following report was read by Bro. B. F. Leavell.

### *Report on Sunday School.*

The best definition for Sunday School is, a church at work. There is no better way of training the children, and building up a church than by the study of the Scriptures.

If we are ignorant of God's will to us how can we be obedient to the same, and how can we bring up our children in the nurture and admonition of the Lord. But few parents are willing to make the sacrifices that they ought to make to give their children the proper moral training. They visit on Sunday and carry their children with them instead of to Sunday School, and the children are thrown out with the neighbors' children to play ball, marbles, and do many other things that will lead them away from Christ.

The first impressions on the minds of the children are the most lasting. I tremble when I think of our last opportunities for moulding the lives of the children. There are great possibilities in the children, their lives are in our hands. Shall we neglect them and let them go to ruin?, or shall we bring them up to be useful men and women in the world.

If you ask the christian man or woman they will tell you that they are anxious to have their children live useful lives. Do we prove it by the way we live? Sabbath breaking is one of the great sins of our country. Men who ought to be in the Sunday School even take it for visiting and doing all kinds of business and never consider that it is the Lord's day and not ours.

We all need to know more about the Scriptures, and there is no better place to learn than in the Sunday School. They are said to be our way bill from earth to heaven.

Was discussed by Bro. B. F. Leavell, J. H. Roberts, A. J. Jones, W. R. Wilson, J. B. Gaulding, and on motion was adopted.

The following resolution was offered by Bro. E. L. Weson and was adopted.

RESOLVED, that we as an association realize more and more the benefits derived from Sunday School work in the building up of the churches and the right training of the children, therefore earnestly request each church comprising this body to have a Sunday School and report it's work each year to this Association.

The following report was read by Bro. W. I. Hargis.

### ***Report on Woman's Work.***

In what does man's work and woman's work in the kingdom of Christ and the churches, differ, save in the matter of the public and official preaching of the Gospel. The difference is not in kind, but in method.

Men do their work in a man's way, women do their work in a woman's way, and yet without friction. The work is co-operative, the one aiding the other, and all being done for Christ's sake, and to the credit of the churches.

The home is a good illustration, the husband and wife are a unit in wedlock, and yet each has a distinct part in the making of the home. Their interests are one, they co-operate to that end.

Paul writing to the brethren of one of the churches, says, "Assist her in whatsoever business she hath need of you."

Let us men not become alarmed, lest the women should supplant us in the work. They have no such intention, they are generally more ready to help the men than the men are to help them. Only the following churches of this Association report any organized effort among the women or children, namely; Ecu, Valley, Ingomar, Myrtle, Cherry Creek, and New Albany. Valley and Ecu submitted no financial report of their W. M. U. The W. M. U. of Ingomar reported \$9.35, Myrtle W. M. U. \$26.00 willing workers of Myrtle have in hand work for the orphanage; Cherry Creek W. M. U. \$52.10, New Albany \$486.97.

The Baptist women of Mississippi raised during the last convention year for all purposes about \$29,000. Amounts raised by our Baptist women in other states have been proportionally large.

The Training School at Louisville, Ky., for the training of young women for Mission Work, The Margaret Home, Greenville, S. C., where the children of Missionaries, who for various reasons can not be with their parents, are cared for, are monuments to the consecrated efforts of our christian women. They, more than any others, are responsible for the great success of our frontier mission work, our orphanage work has always appealed to their sympathetic and motherly instincts, and to this they readily and willingly lend a helping hand.

In the training of young people in christian service, they are important and indispensable factors, and certainly in the home making, which is the primary basis of all true civilization, they are the prime forces.

In woman's God-given mission to learn society, and bring it up to a higher standard, she is entitled to the hearty, sympathetic co-operation of every man.

Respectfully submitted,

W. I. Hargis,

J. E. Coltharp.

Discussed by Bro. W. I. Hargis and on motion was adopted.

The Committee on Devotions reported that Bro. E. L. Wesson preach in this house at 11 o'clock today.

The following report was read by Bro. J. L. Byres.

### ***Report on Prohibition.***

King Alcohol is an enemy of our Lord and Saviour Jesus Christ, and the height of his glory is in proportion to his destruction of human mind and souls of mankind.

King Alcohol corrupts the ballot box, also corrupts our state and national legislation. King Alcohol has blighted many happy homes. He is one of the corner stones on which the house of ill fame stands, and by plunging his poisonous fangs in the stomach has caused many women to be robbed of that priceless jewel, virtue. So there is nothing left for him to do that will terrorize us more. Lord, we cant save ourselves.

J. B. Gaulding,

J. L. Byers, Committee.

Discussed by Brethren J. L. Byers, J. H. Roberts, and on motion was adopted.

Report of the Treasurer.
